

FOREVER FRIENDS

*Meet your new best friend—chipboard monograms—
the hero of any layout!*

Add a whole new dimension to your designs with the new Dimensional Elements from Close To My Heart. These fabulous 3-D letters will add pop to your prose, give your journaling a jolt, and make your titles terrific. With a whole sheet for each letter you'll have the perfect size and font variety to suit your every creative gem.

"I love the new Dimensional Elements from Close To My Heart. It's fun choosing from all the font options—I can give my little "angel" a lowercase "a" or my big "slugger" an uppercase "S". I can even add color or distress them, wherever my creativity takes me. It's really added a fun new dimension to my journaling." AMY MAYHEW, INDEPENDENT CONSULTANT, GRAND ISLAND, NE
