# Make the Grade

ELEVATE ANY ARTWORK WITH CLOSE TO MY HEART'S TEXTURED CARDSTOCK.

Send your little layouts back to school with class! It all starts with textured cardstock—a kick of dimension to jump-start your art. Plus, you'll love the double-whammy of color: different shades on each side! "Texture triumphs! This cardstock is rough and ready for inspiration—versatile, colorful, and strong enough to be its own embellishment. It's one smooth operator!"
