

Close To My Heart Autumn/Winter 2006 Idea Book Recipes

This booklet was designed to work hand-in-hand with our beautiful new Idea Book, and to help you make the most of all the inspiring artwork inside. We've included artwork samples representing everything from basic scrapbook layouts to party invitations, journals, and 3D projects!

There really is something for everyone.

As you browse the Idea Book and find specific scrapbook pages, card designs, or 3D projects you'd like to make, turn to this booklet for an all-inclusive recipe for each and every project.

We've included detailed lists of all the papers, stamps, inks, and accessories you'll need to successfully re-create any of our Idea Book projects at home!

HOW TO USE THIS BOOKLET:

1. Browse the Idea Book for particular layout designs, color schemes, or use of accessories you'd like to emulate or reproduce in your own projects.
2. Once you've selected a project or technique you'd like to re-create, make a note of the Idea Book page number where the artwork appears.
3. Use the recipe included in this booklet to determine all the materials you'll need. Recipes are listed by Idea Book page number. Find the corresponding page number, then scan through the artwork titles for a name that matches your project.

Our Mission:

We show you how to celebrate relationships through the art of scrapbooking and stamping. Faster. Simpler. Easier.
